# Getting started

## From Ovid® platform navigation

Select the option that is most relevant.

Learn more about login options by visiting:
wkhlrp.my.site.com/ovidsupport/s/article/JBI-tool-login-options

Once initial validation has been established via Ovid® and your institution, you can access at my.jbi.global and use the same credentials.
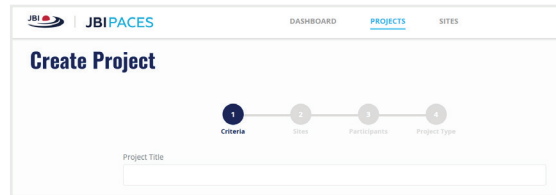

In MyJBI, look for *Group Subscription* and click *Launch*.

PACES (Practical Application of Clinical Evidence System) is a user-friendly online tool that makes it easy for health professionals to conduct efficient, timesaving audits in small or large health care settings.

Group Subscription
Subscription expires 30 Jun 2025

Launch

Create a project

1. On the **Dashboard Tab**, click the *Create Project* button.

Create Project

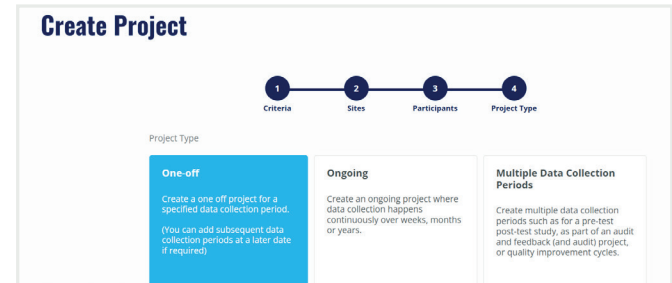

2. Add title and choose review type and select *Create*.

Please note, that every participant invited to a JBI PACES project MUST have their own, paid access to JBI PACES and their login must be set up before the invitation is sent. If you have invited participants who do not have their own JBI PACES account, they will not be eligible to join your project.

+ Add Criteria

+ Add Criteria

Next

Choose project type and select *Create Project*.

Create Project

For additional information on structuring the PACES Audit project and using the software please refer to the JBI PACES Knowledgebase: jbi-global-wiki.refined.site/space/PT
