

Доступ к полному тексту из Google Scholar

Библиотека Российского фонда фундаментальных исследований (РФФИ) теперь предлагает возможность ссылки из библиографических записей Google Scholar на полный текст статей. В каждой библиографической записи на правой панели есть ссылка “Full Text @ RFBR” который обеспечит доступ к полному тексту статьи или услугам библиотеки:

The screenshot shows a Google Scholar search for "COVID-19 diabetes" with approximately 2,290,000 results. The first article is "Diabetes and COVID-19" by S Peric, et al. The detailed view of this article shows the title "COVID-19 and the General Surgical Department - Measures to Reduce Spread of SARS-COV-2 Among Surgeons." by Yeo. The article is published in "Annals of surgery" (2021). A prominent "Full Text @ RFBR" link is visible on the right side of the article details.

* Если вы получаете доступ удаленно, снаружи *Russian Foundation for Basic Research (RFBR)*, вы можете настроить доступ к своей учетной записи Google: *Settings -> Library Links*

The screenshot shows the "Settings" page in Google Scholar, specifically the "Library Links" section. Under "Show library access links for (choose up to five libraries):", the "RFBR" library is selected. The configuration includes the library name "RFBR" and the URL "Russian Foundation for Basic Research RFBR - Full Text @ RFBR". There are "Save" and "Cancel" buttons at the bottom of the configuration area.
