Getting started

Create a project

+ Add Criteria

---

**From Ovid® platform navigation**

1. On the Dashboard Tab, click the **Create Project** button.

2. Add title and choose review type and select **Create**.

---

**JBI PACES**

PACES (Practical Application of Clinical Evidence System) is a user-friendly online tool that makes it easy for health professionals to conduct efficient, time-saving audits in small or large health care settings.

---

**Learn more about login options by visiting:**

---

Once initial validation has been established via Ovid® and your institution, you can access at [my.jbi.global](http://my.jbi.global) and use the same credentials.

---

In MyJBI, look for **Group Subscription** and click **Launch**.

---

Please note, that every participant invited to a JBI PACES project MUST have their own, paid access to JBI PACES and their login must be set up before the invitation is sent. If you have invited participants who do not have their own JBI PACES account, they will not be eligible to join your project.
